

## HOW YOU CAN HELP

- **Invite Small Groups** - Because of the intimate nature of the Missional Women Conference, it's perfect for small groups to flourish and grow in the Lord together. Small groups will have time to deepen relationships that are already established and form new connections. We've provided some resources for small group leaders to invite their members.
- **Hang up Posters** - Does your church have a community bulletin board? We've included some posters for you to hang up!
- **Promote during your Main Services** - We would love for you to invite your church to be a part of this exciting conference! You can find a promotional video on our website [www.MissionalWomenConference.com](http://www.MissionalWomenConference.com).
- **Promote in your bulletins** - We've included some bulletin inserts for you to share. Also if you have a current events section, we'd love it if you would share about the Missional Women Conference
- **Promote on your Website** - If your church has a website, Facebook or Twitter would you give us a shout out? You could post the dates on your online calendar, share our video, or tweet about us. You can find us online at [www.MissionalWomenConference.com](http://www.MissionalWomenConference.com) and [@MissionalWomen](https://www.facebook.com/MissionalWomen)
